

# Brainwave

# Directions

**Attempt to align your thoughts (brainwave) with your partner, teammate, or classmates who are the front. Guess the answer regarding the presented topic one of the individuals who are at the front of the classroom. If correctly, you take their spot at the front and become one of the new brainwave leaders.**

**To promote accountability, honesty, and integrity it is recommended to start with three brainwave leaders at the front who must share their chosen item in relation to the present topic.**

# Variation/Guessing

**If someone guesses the correct response two people get to come up, the person who guessed correctly and a classmate of their choice to add more people to the brainwave leader group.**
